The teachers try to give an insight into the importance of respecting human life and dignity. In a student's senior year, he has a chance to put into practice all the Christian attitudes he has learned. The Bishop Dunne Fighting Falcon Band has won the TCIL State Championship title for three consecutive years. This is because of unfaltering efforts of both Mr. Parsons and the advanced band students. But the band also works very hard during marching season. It takes much practice to produce even the simplest drill. Even though the band program was initiated into the curriculum only four years ago, it has made great progress and promises to keep striving for perfection.

BOWLING CLUB STRIKES AGAIN!!

Club members are provided with the opportunity to develop their skill and interest in the sport of bowling. The club meets every Wednesday of the week to participate in inter-club competition at Bronco Bowl. High Scores this year were 234 and 215 made by Mike Davis, the secretary of the club.

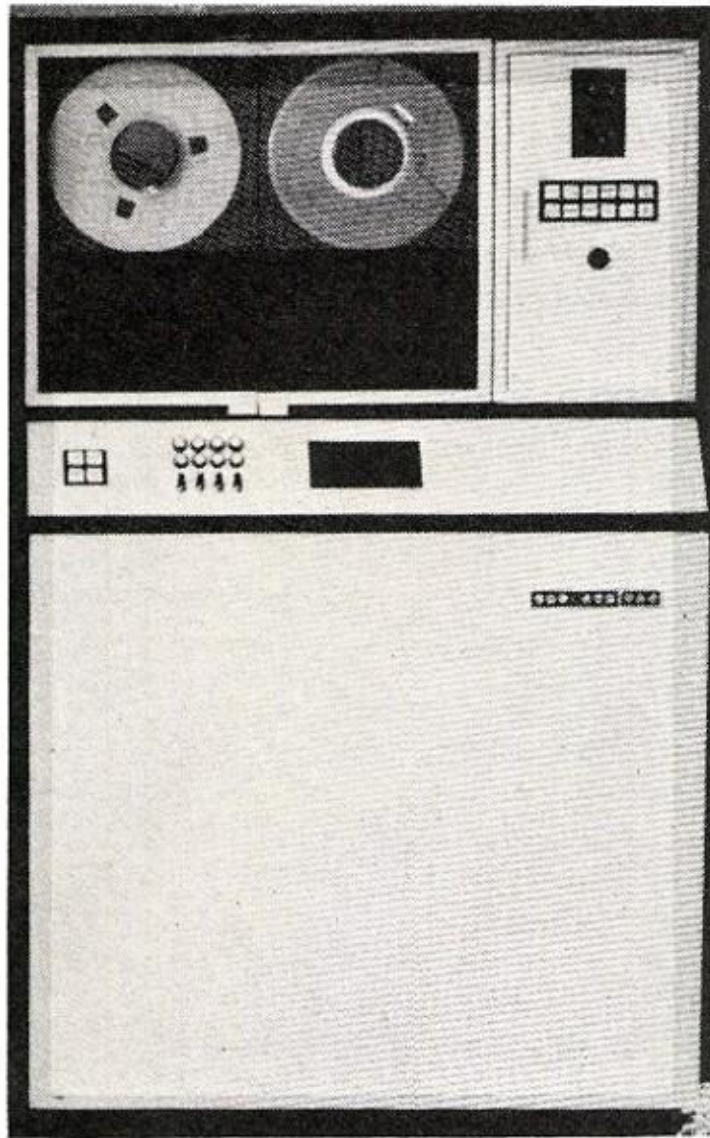

PHOTOGRAPHERS

The two main objectives of the Camera Club are to teach its members the basic concepts in photography and to take pictures of school activities for the yearbook and school newspaper. During mini-mester they fulfilled the first objective by offering a course in photography for beginners. Members were kept busy supplying pictures for "The Quill" and especially for "The Mitre" whose constant demand for pictures seemed endless.

Pictured are L to R: Steve Sifuentez, Mike Miller, Matt Savins, Noel Williams, Earl Moore, Filberto, Greg Mikolajczak, and Mr. Larry Moore, Moderator.

COMPUTER SCIENCE

The purpose of the Computer Science Club is to introduce interested students into the field of computer programming. Members of Dunne's club have been attending classes all year with this goal in mind. They met every Wednesday night from 6:30 to 8:30 to learn different courses. The first semester was devoted to a course in "Flow charting," the process of thinking logically. The second semester they studied programming, in which they programs in the language of "fortran" to run in computers. They used the skills they learned in these sessions to compete in the T.C.I.L. rally in April, accomplishing third place.

Elected Six keeps Dunne Fans Cheering

Varsity cheerleaders, besides performing skits, treating the teams to goodies at pep rallies, decorating the gym, and keeping spirit high, have proven their skill in outside competition. This summer at S.M.U., the girls, both individually and as a team, won "Superior" blue ribbons.

This year the drill team saw many changes. The first of these were the acquiring of new uniforms and the gaining of the leadership of Ms. Connie Beesley as moderator. Then the morning practices were extended from two hours a day to four hours a day for two weeks. During the summer the officers distinguished themselves at S.m.u. Drill Team School where they won first place in a marching drill. Captain Caryn Munoz won the honor fo being the most outstanding girl in her division. During school, the girls averaged three hours of practice a day preparing for weekly pep rallies and football games. Their efforts proved worthwhile when they received standing ovations at all the district games.

Neither rain or dark of night keeps the girls from their daily practice.

Ms. Beesley prepares to introduce Eyaletts at Night of the Falcon.

For the first time in the Eyaletts' history they held a banquet at the Wood N' Rail. Honor guests included Brother Adrian, Sister Mary Bosco, Mr. and Mrs. Parsons, Mr. and Mrs. Taylor, Mr. Tim Beesley, Photographer Paul Brandon, and announcer Paul Iwanski. It was at this time when the seniors said good-bye to the juniors and Ardelia Poret was named "Eyalett of the Year."

One of the most important functions of the organization is the tutoring of students in need of scholastic help. Their major fund raising project this year was a book sale held in the Language Lab.

Key Club is a service organization which provides services both to the school and to the community. Some aims of the Club are the development of initiative, leadership, ability, and good citizenship practices.

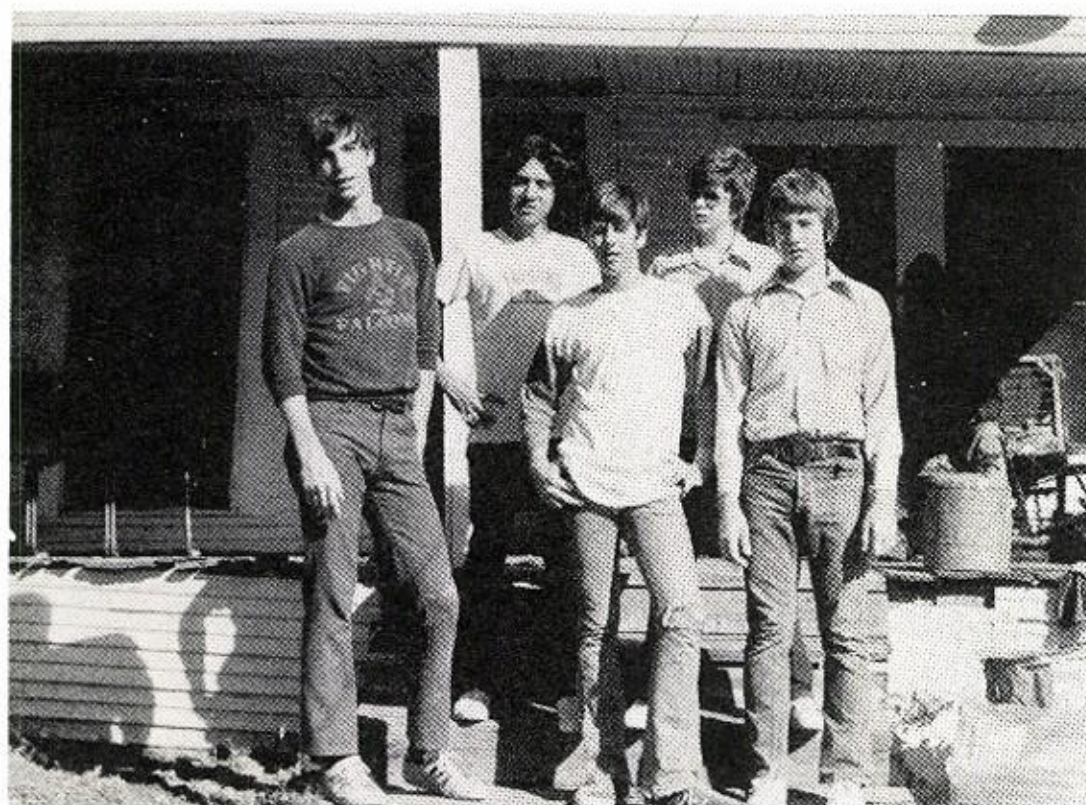

This organization is one of the most active clubs at Dunne. Some of their activities this year consisted of working with orphans, spending time with the elderly, beautifying the school grounds, working with lockers, and raising and lowering the flag each day. Their main service project this year was volunteering sixty-six hours as messengers at Six Flags Southern Palace for the Jerry Lewis Muscular Dystrophy Telethon.

At the convention held in San Antonio the Club won first place Achievement Award. This is the first time that a first year Club won the award.

The Key Club became official when President Daryl Taraba received the charter from the Key Club International.

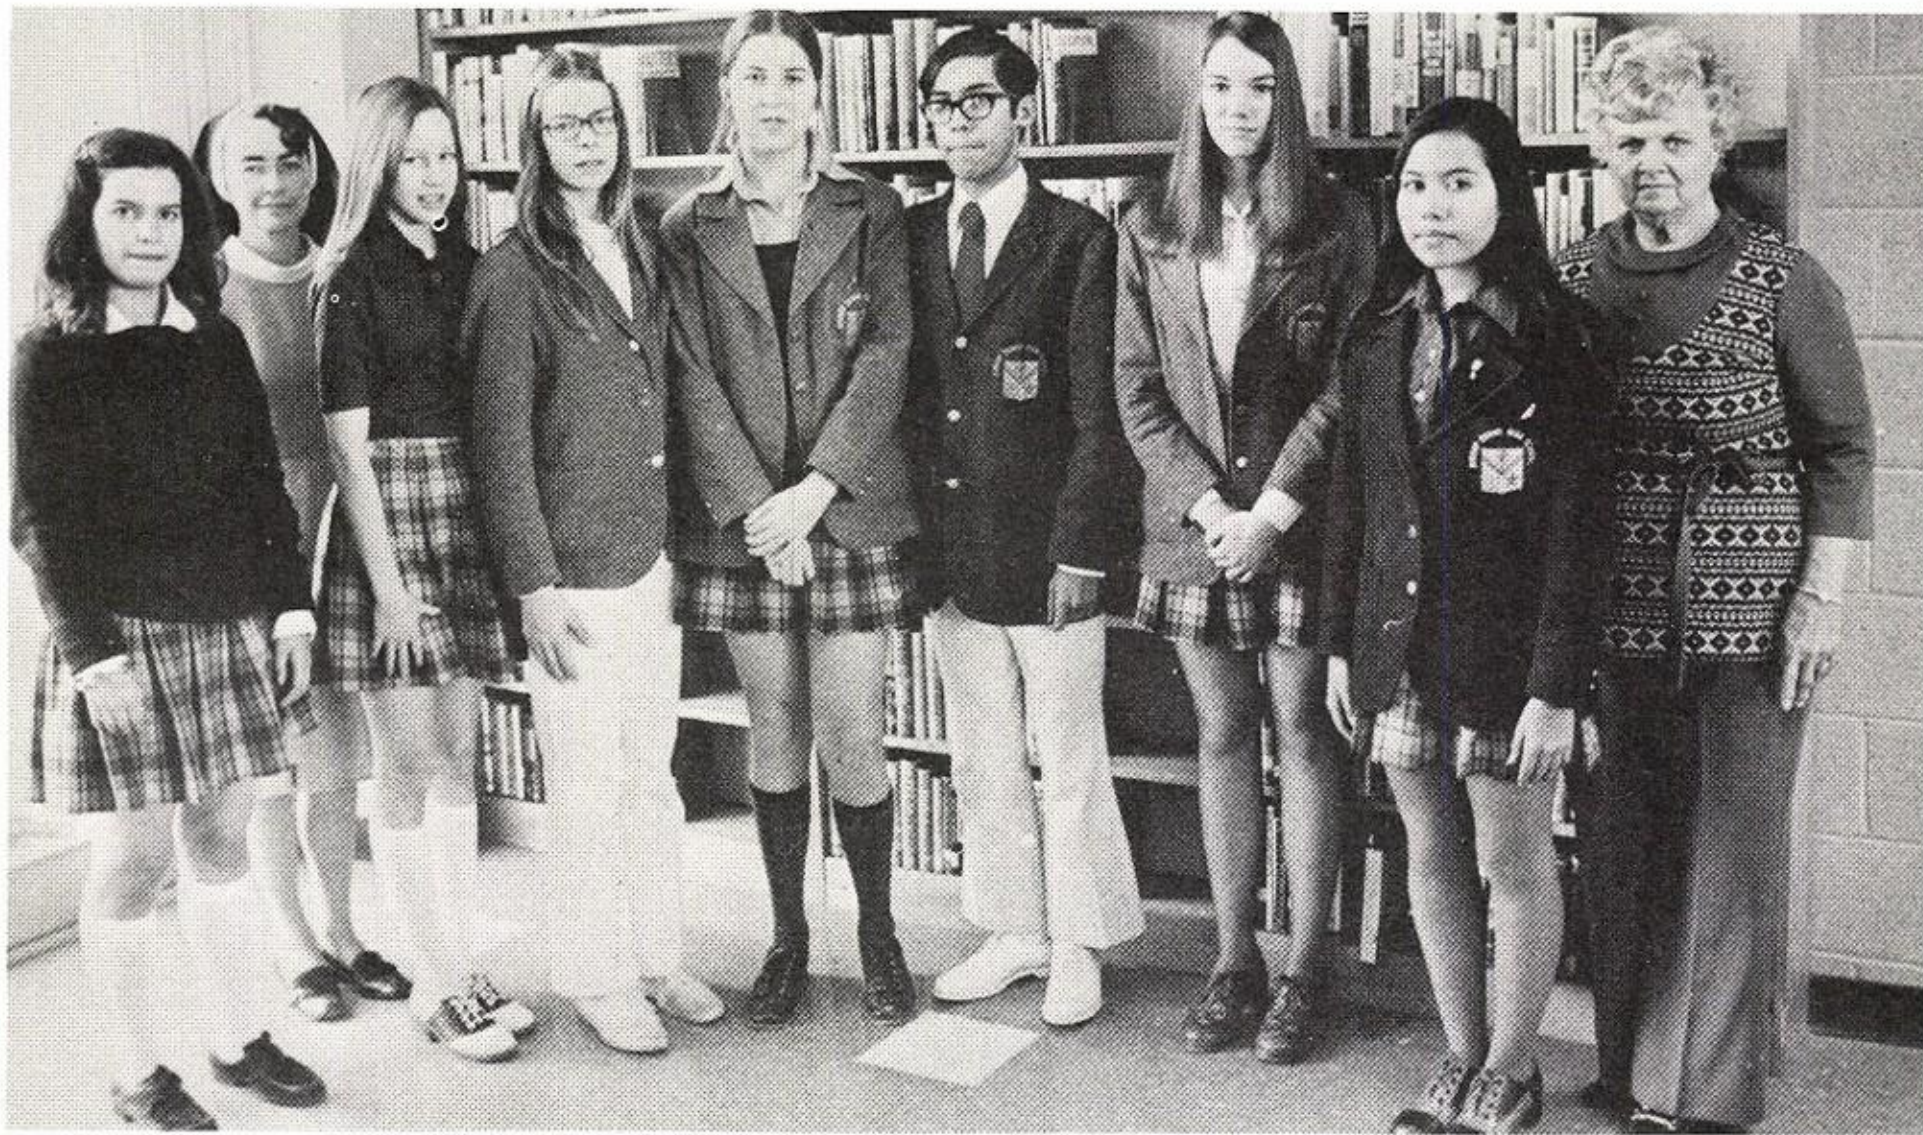

The Key Club serves the community by remodeling old houses.

The Key Club earns its money by working at Texas Stadium.

Printing THE QUILL is a tedious yet worthwhile and rewarding process. This year, Carol, Jimmy and the Staff have worked closely with their new moderator, Mr. Cocca, in an attempt to publish more than the "average" high school news. They have branched out, covering community action, special features on area high school, faculty focus, and behind the scenes sports reporting. An entire issue was devoted to the history of rock music. The paper's aim is to entertain and to please the reader, not merely to inform him, and with six issues this year, The Quill has certainly surpassed its goal.

Members of Dunne's newest club, Scuba I, have encountered the beauty and mystery of the underwater world in a year of exciting scuba diving adventures. The club was organized to give scuba enthusiasts here at Dunne an opportunity to enjoy their hobby with others their own age and give them a chance to dive into new and different places of interest. As a result, they have traveled to several various lakes in Texas, not to mention trips to the Gulf, Florida, and California. During the mini-mester the club sponsored a course in beginning scuba diving for those interested in learning the fundamentals of this thrilling sport.

The "Spirit of the Seventies" Club has worked hard to make 1974 a spirited year at Dunne. Every night before a pep rally, it's members could be found in the gym, brush in hand, going at those posters. Their artistic endeavors were used to hang in the gym, around the school, and at the games. They also used their time, effort, and crepe paper to decorate the hallways whenever a crucial game was at hand. When the paper and paint got scarce, the yummys in the lounge got plentiful, with another S.O.S. bake sale. Keep painting girls!!!

Every Tuesday many of the members of Young Christian Students dedicate their time after school to help the children at the Bataan Community Center. They tutor children from ages six to thirteen. Many of the children need help in learning their alphabet and numbers. Their activities include picnics and parties. In April they had an Easter party using the easter baskets they made out of shoe boxes. They have accomplished their goal and are very satisfied and proud.

National Forensic League stimulates interest in interscholastic debate, public speaking, oratory, dramatic interpretation, extemporaneous speaking, and poetry interpretation.

The organization's hard work and preparation proved successful when junior, Don O'Bannon won first place in Original Oratory in the T.C.I.L. competition, senior; Jewel Shelton won third place in Memorized Interpretation in T.C.I.L., and when senior Paul Iwanski advanced to finals in each of the five tournaments he participated in.

The French Club introduces members to French culture cuisine, and customs through its numerous activities. The organization's major service project this year was preparing a basket of food for a needy family in cooperation with the Key Club.

The organization's activities consisted of a roller skating party with the Spanish Club, Christmas caroling, and their annual mass in May honoring Our Lady. The senior members enjoyed a dinner in the authentic French atmosphere of the Chablis Restaurant. They also sponsored the movie "Joan of Ark" on the weekend of October 24 in order to raise funds for their various activities.

CLUB DE ESPANOL

The Spanish Club has been very successful this year in acquainting its members with the many different facets of Spanish speaking peoples lives, customs, food, and culture. They have sponsored a Mexican dinner at Poncho's, attended the Mexican Ballet Folklorico and sponsored a Mexican Program of folk dances in our gym. The club enjoyed an evening of entertainment at THE HEIGHTS Spanish theatre and dinner afterwards. They joined with the French Club in a roller skating party and held a banquet as a farewell for the seniors. To raise money for their many activities, the Spanish Club held a raffle for two Bulova watches.

Students proudly display their winnings from the "Novemberfest."

The German club was active in competition this year, participating in the "Novemberfest" at U.T.A. in November. The "Novemberfest" included competition in classical and folk music, costume design, cooking, art, dramatic interpretation, biking, and root beer guzzling. The club members distinguished themselves by bringing back three first place trophies, and also second and third place ribbons. Members outstanding in this effort were Janie McDermott, Patricia Dellon, Catherine Baker, Bryan Kelly, Lisa Hesch, and Irela Torres. The club has had several recreational activities including a Christmas and Halloween party, a skating party, a trip to the Bavarian Steak House, and a going away party for the Seniors. The club's major fund raising project was a raffle for a German 10-speed bicycle.

FOOTBALL

VARSITY TEAM

A quick look at the record of 2 wins and 7 losses paints a discouraging picture for the Falcon football team. But as always, one must take a closer look at the games to see a true picture of the effort displayed by the 1973 team. Many of the losses can be attributed to the team being unable to take advantage of breaks and injuries to key players.

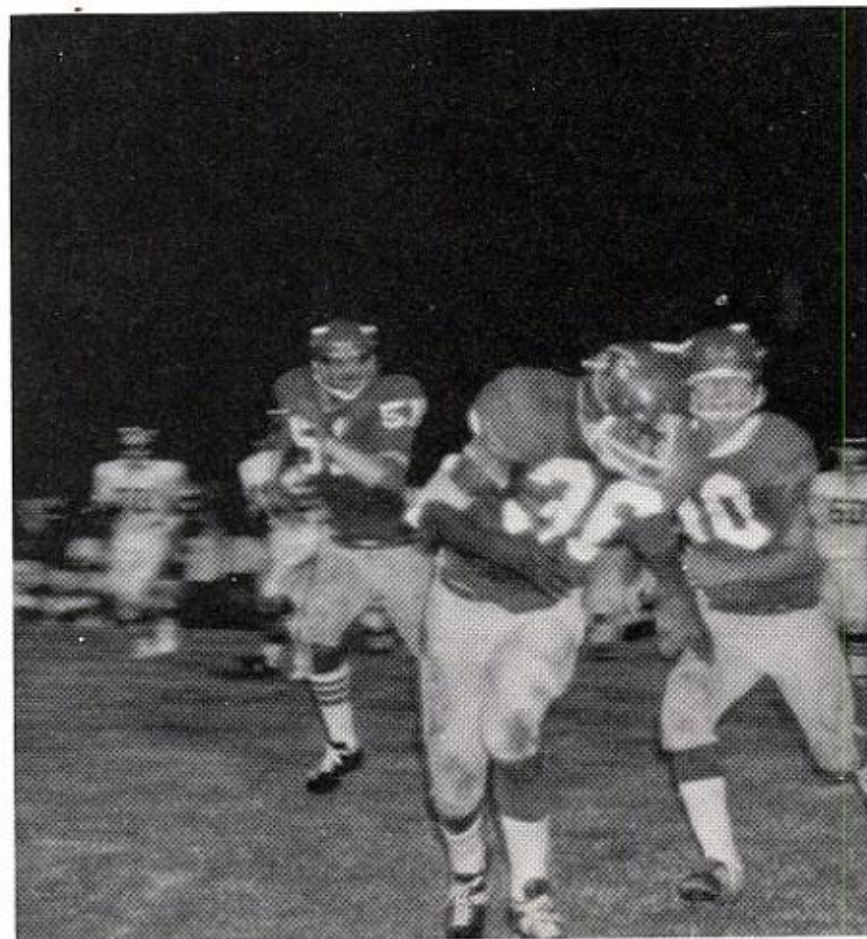

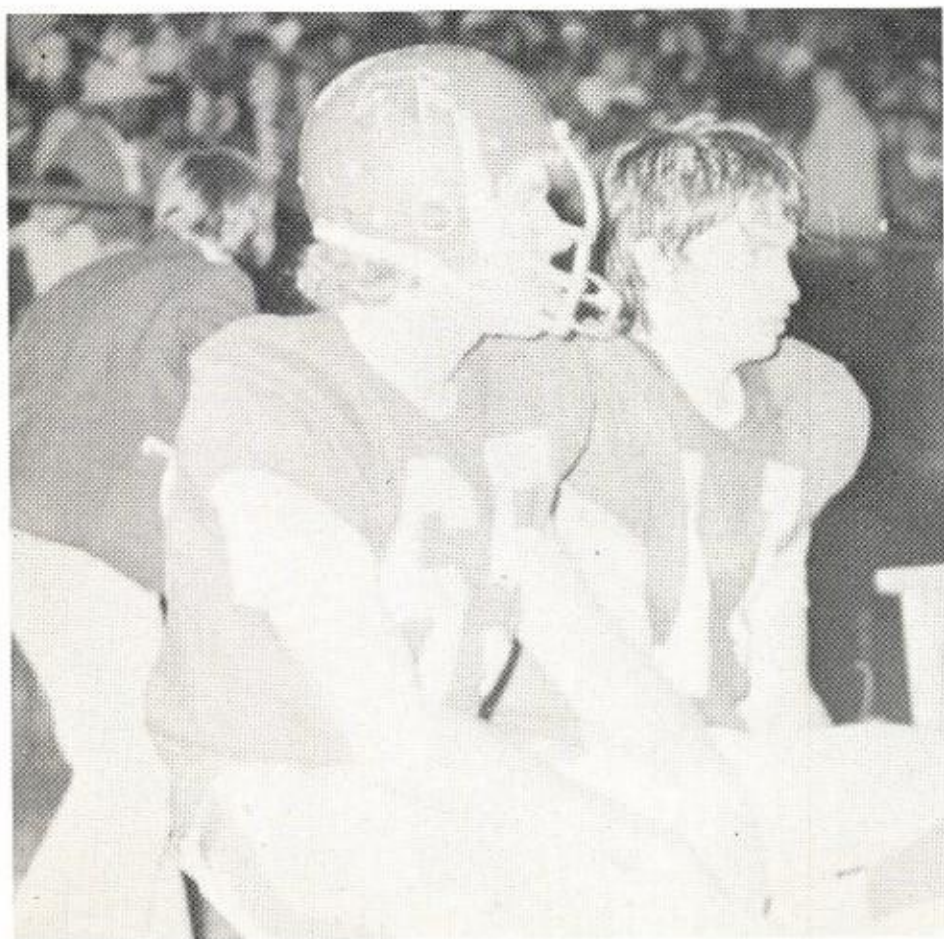

Bishop Dunne students and fans can rest assured that our boys will come back next year with all the enthusiasm and spirit to carry them through to a brighter season.

In the tough competition in San Antonio, the team placed fourth out of twenty-one. A drop of sweat lost in the dust of a now empty track. Aching muscles forgotten with the thrill of victory. Miles of water churned through with the result being a few minutes of glory after a race. The athletes, during their reign, are the gods of the school. Yet as the next sport emerges they are the most quickly forgotten. Only the records set remain - in some forgotten book of statistics - waiting to be broken again. In the minds of the athletes the memories remain, "When I was in school I . . ." in countless reminiscences. Was it worth it? Did anyone really know the suffering that went on in countless practices? The mass of fans at the game supporting the team. Woven into weeks and months, sports became a part of the world of Dunne.

SUMMER ENDS . . .

The school year starts with the annual yearbook signing party. Students gather before the new school year to review the old year . . . Graduates come to gather one last time before pursuing their separate goals.

'73 graduates Cathy Schneider and Mary Benson distribute the '72-'73 Mitre.

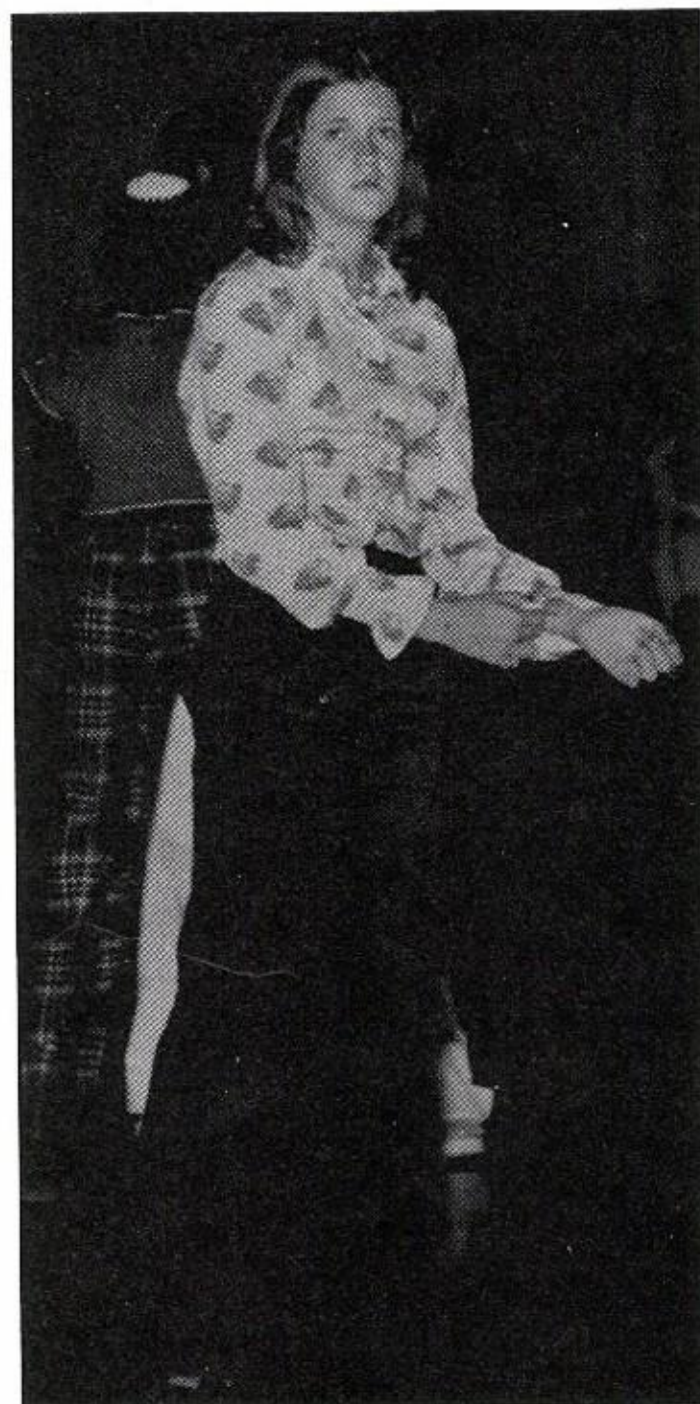

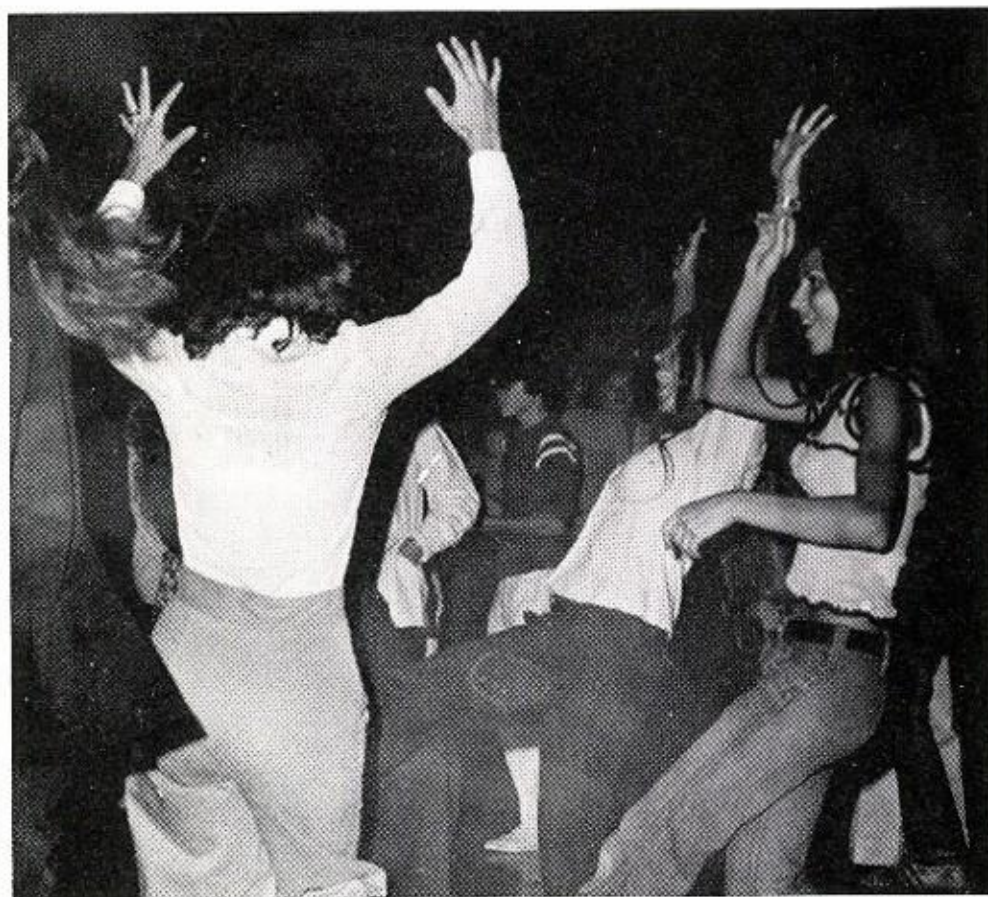

SCHOOL BEGINS

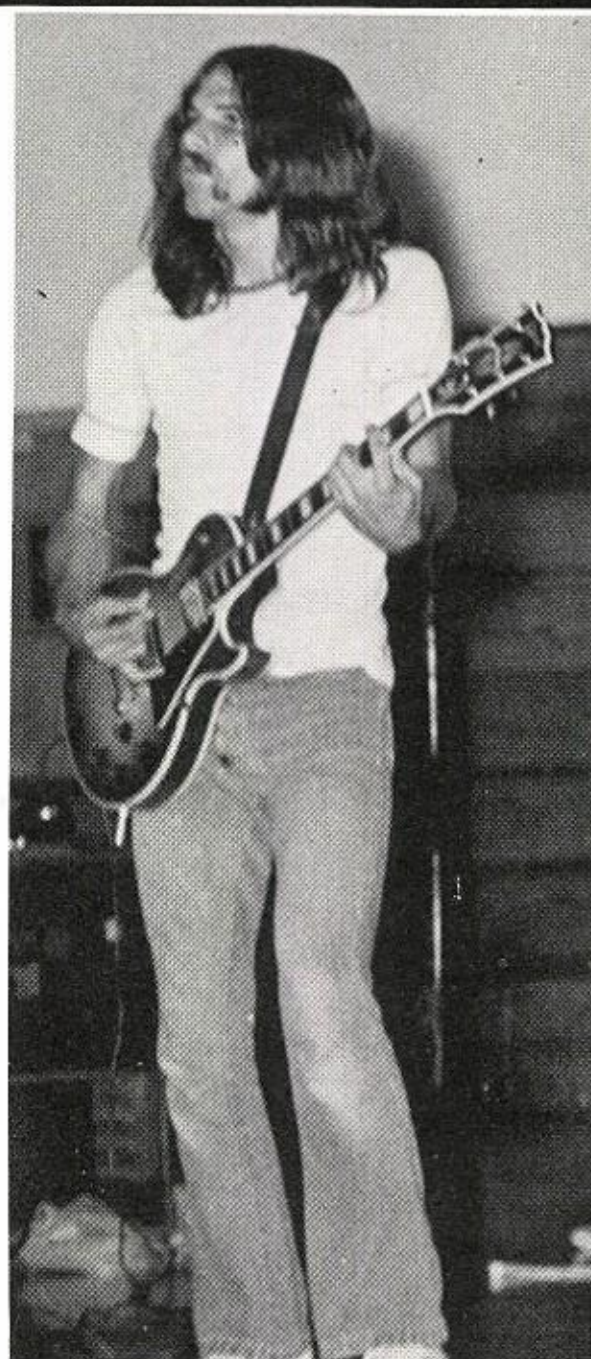

The first day brought confusion and worried faces . . . For the first time at Dunne the "Big sister - Little sister" and "Big brother - Little brother" programs were incorporated. Seniors and Juniors helped freshmen and eighth graders with their modular schedules and eased the tensions that the first few days entailed.

STUDENTS GET ACQUAINTED

This year's Get Acquainted Dance proved extremely successful: Sparky's Magic Echo, a talented group, along with enthusiastic dancers contributed to its success. A mixture of rock, soul, and a bit of blues proved to be the perfect combination. The purpose of the dance was to allow new students to get to know those returning from last year.

SPIRITED PEP RALLIES AND DRESS DAYS

Special Dress Days and Pep Rallies added to the usual Friday afternoon excitement. The most popular dress day was 50's day when everyone wore greased-back hair, long skirts, and ponytails.

Dunne's drill team and cheerleaders provided entertainment for the pep rallies. Friday afternoons were anticipated by students and faculty, and were truly the highlight of the week.

THE SOUND OF MUSIC

Ms. Sigrid Glenn returned to direct the last drama production of the year. Jan Worden was the musical director. Before the play could be put on, the entire auditorium had to be rewired for better lighting. This long and tedious job was performed by Paul Brandon and John Courtney.

Despite many obstacles and a very short time for rehearsals, the musical proved to be one of the finest productions of the Drama Club.

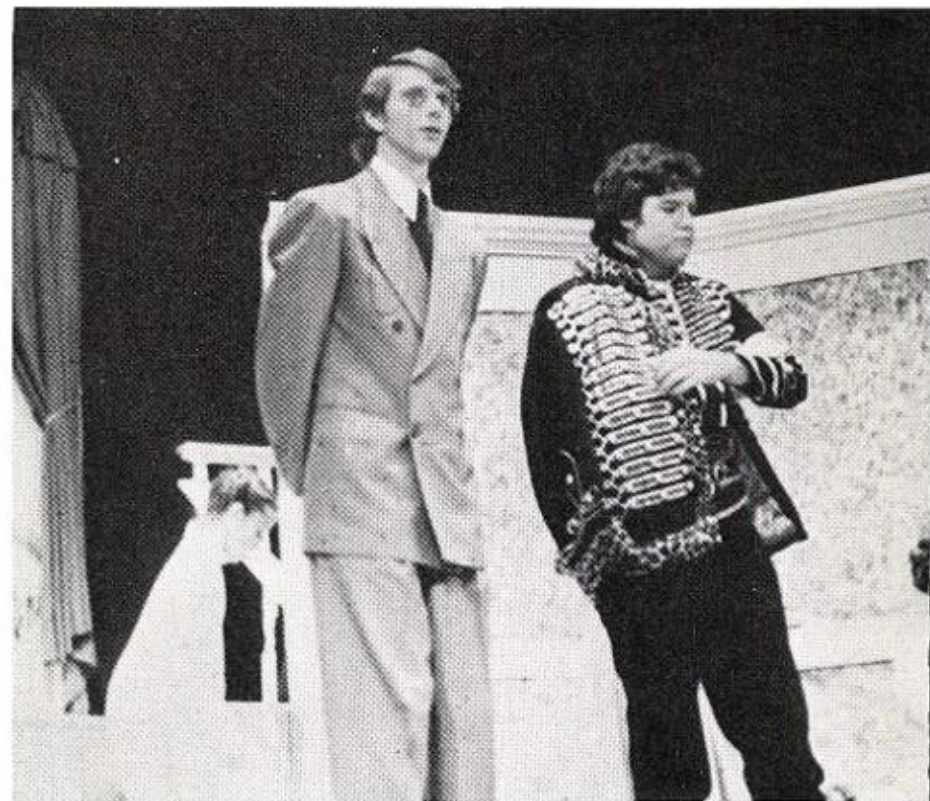

Debbie Slovak served as head of the make-up crew.

Singers warm up in band room.

Tod Smith returned to play the lead role of Capt. Von Trapp. Senior Jenny Choate played Maria. The Baroness was played by Mary Bush and Herr Zeller was played by Chris Salomon. Joel Markey was cast as Admiral Von Schrieber.

The seven children were played by Patty Baldwin, James Behan, Rachel Sizer, Mike Tenney, Lizette LeVieux, Mary Leech and Jennifer Glenn.

FAMILY FAIR

This year's Family Fair was a success although student support was lacking. Games included a Las Vegas Room for big spenders, a dunking booth, hayrides, and pony rides. Food was served in the cafeteria, and a country store was set up in the student lounge.

MINIMESTER '74

Minimester is a welcome break from the usual school curriculum. It is a special week set aside to offer students a chance to participate in activities usually not offered in school classes. Mr. Art Rainwater coordinated the minimester scheduling. Students were free to schedule themselves for a complete week from a choice of over 125 courses.

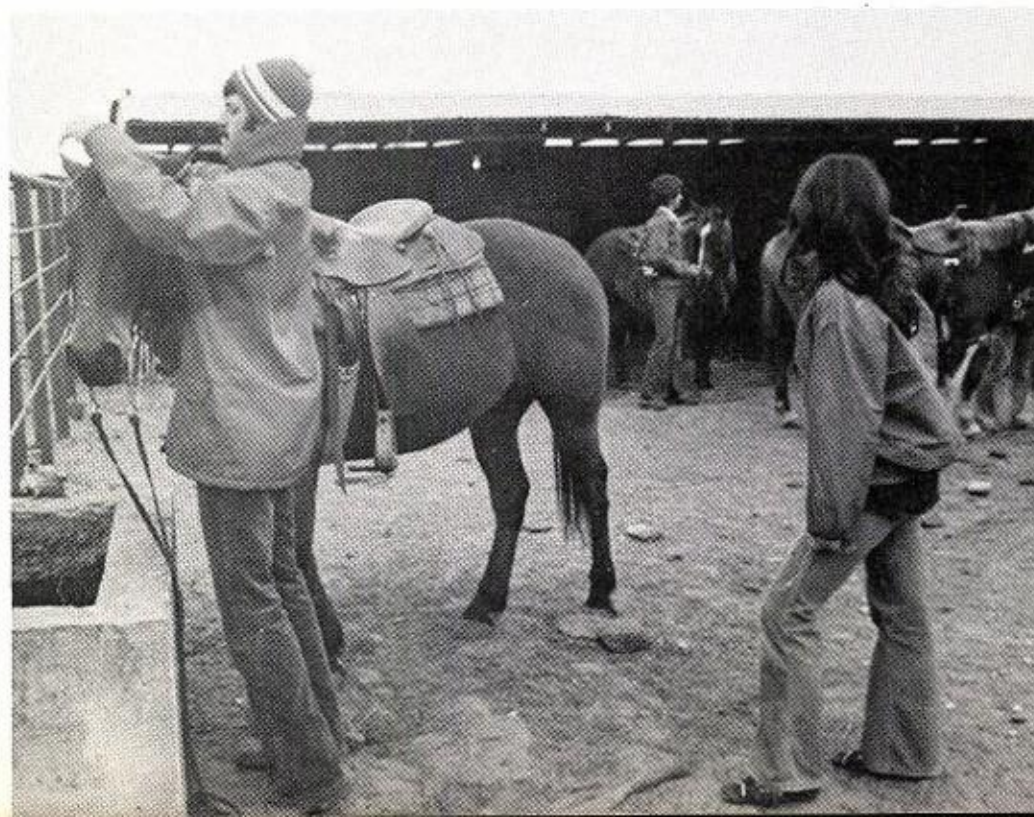

Members of the faculty and volunteers from outside the school community taught courses, served as guest speakers, and accompanied students on field trips.

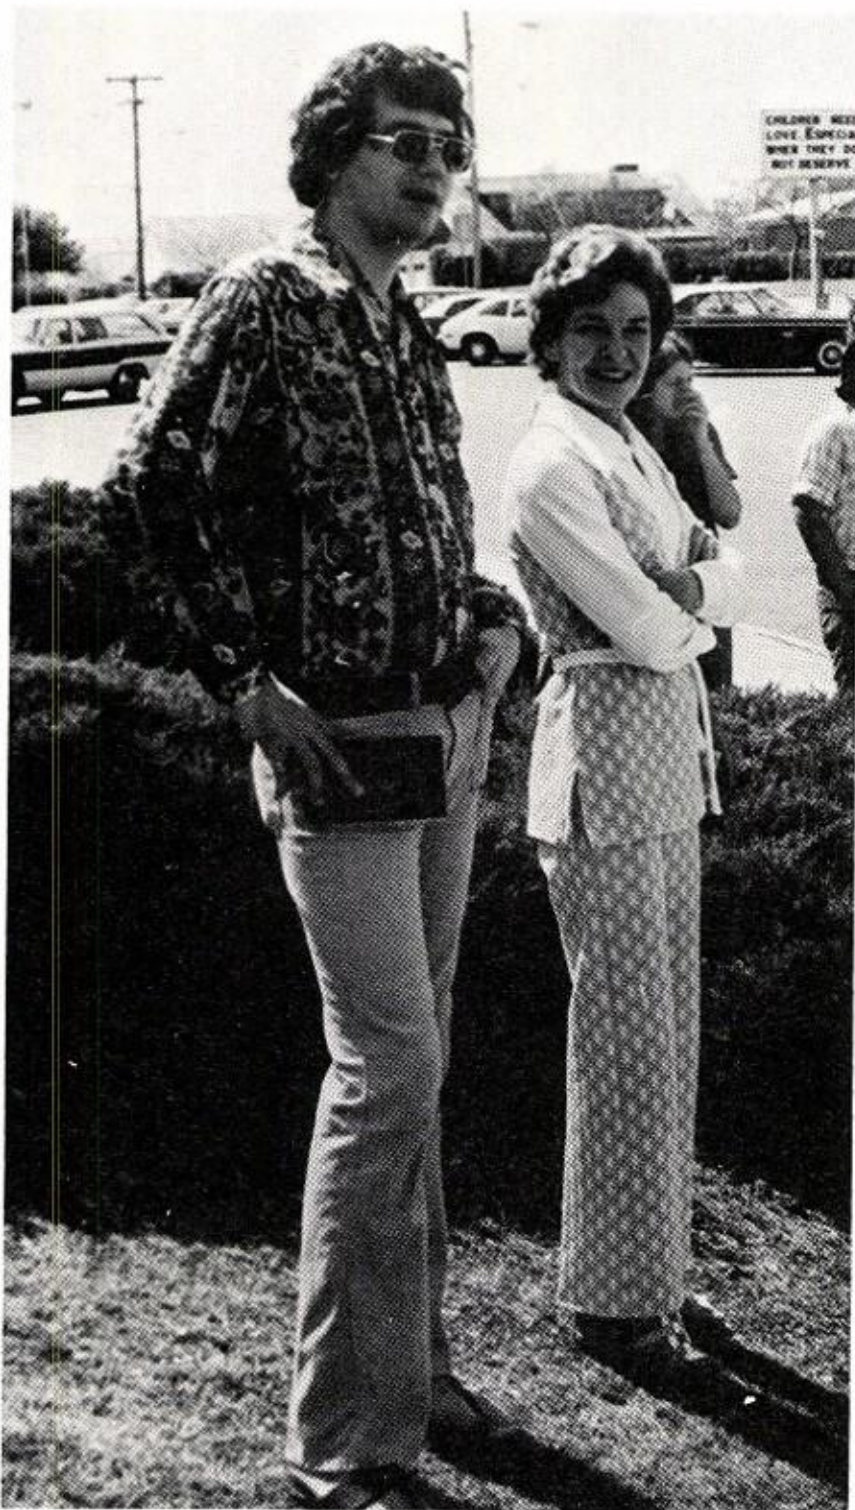

Among the many courses offered were Fashion Design, French Grammar Review, Gourmet Cooking, Travelogue of Germany, Dog Training and Care, Wake up and Write, ESP, Conducting and Instrument Clinic, Life of the Early Christians, Modern Poetry, and the Mertic System.

Many arts and crafts courses were available including 3-D miniatures, crocheting, macrame, sewing, knitting, bargello, leathercraft, and photography.

Most sports and games were included in the scheduling such as tennis, bowling, target Rifle, bridge, scuba diving, karate, bicycling, hunting, fishing, horseback riding, billiards, roller skating, ice skating, archery, and dancing.

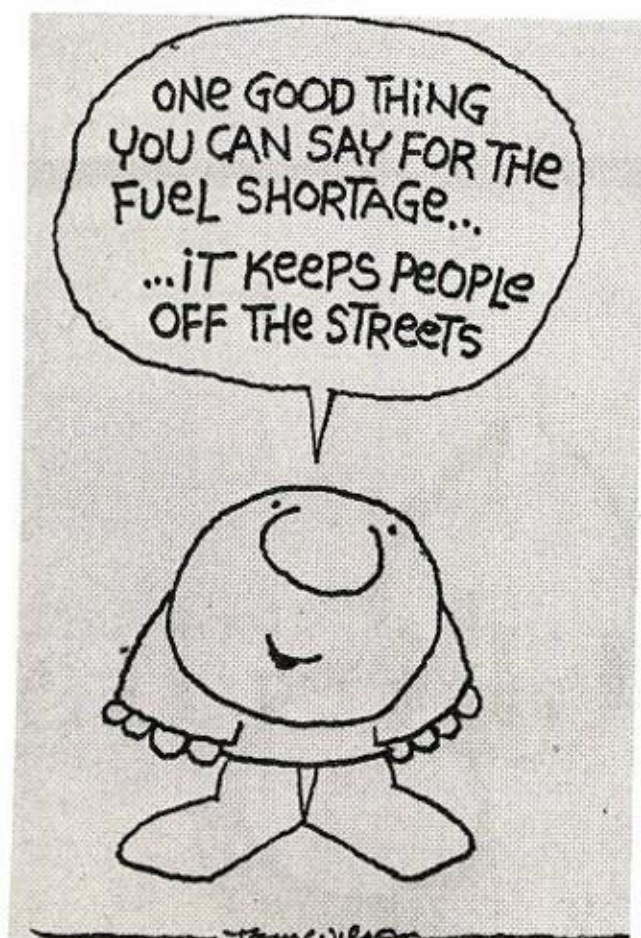

Some of the field trips available were a day at the University of Dallas, three-day outdoor living experience for girls, NASA in Houston, Fort Worth Zoo and Pioneer Village, camping and canoeing in Big Bend, and Texas State Constitutional Convention in Austin.

A number of field trips of special interest were made to the Regional Airport, Methodist Hospital, Wax Museum, Dallas Zoo, County Court, Texas Stadium, Fair Park, City Council, Children's Emergency Shelter, and Callier Speech and Hearing Center.

Guest speakers covered such fields as law, radio and television broadcasting, and graphology.

DEDICATION

IN FOUR YEARS BOB PARSONS HAS DONE GREAT THINGS FOR BISHOP DUNNE. HIS INITIATIVE, ENTHUSIASM, AND KNOW-HOW HAVE BROUGHT THE BAND TO THEIR THIRD CONSECUTIVE STATE CHAMPIONSHIP. IN THE FEW YEARS WE HAVE KNOWN HIM, HE HAS TRANSFORMED THE BAND FROM A TWELVE MEMBER DRUM AND BUGLE CORPS TO A PROFESSIONAL MARCHING BAND. HIS DYNAMIC SPIRIT HAS INFUSED HALF-TIME, PEP RALLIES, AND SPECIAL SPRING CONCERTS. FOR THESE REASONS, THE 1974 MITRE STAFF FEELS IT IS TIME TO GIVE LONG OVERDUE RECOGNITION TO A VERY DEDICATED MAN WHO HAS BECOME A VERY BIG PART OF BISHOP DUNNE. THIS GESTURE; HOWEVER, REPRESENTS JUST A SMALL PART OF THE GRATITUDE STUDENTS AND FACULTY HAVE FOR THE UNTIRING EFFORTS AND ACCOMPLISHMENTS OF OUR BAND DIRECTOR, BOB PARSONS.

Dear Mr. Ratcliffe,
 I am sure you are aware of the harm being
 done to the world by the majority in conducting
 the war against the peaceful nations. However,
 often thought of the great the great nations that
 there are not found and as such meet my
 approval. I will therefore find you agree with
 a number to mind your future conduct.
